Account Verification:

To demonstrate client control and maintain transparency of the balance on the account for the term of the trade, the trading desk will offer two verification options:

- Preferred: "Viewing Access Only" • Demonstrates your full account control • Allows real-time balance checks without transfer capabilities • Enhances trust and efficiency in the trading process
- Alternative: Authorization to Verify (ATV) • Coordinate with your bank manager • Utilize your bank's approved daily verification method • May require additional processing time

Next Steps:

1. Submit required documentation for due diligence
2. Upon approval, direct communication with the trading desk
3. Receive your personalized trade contract
4. Your file enters active trading within 24-48 hours

This is an exceptional opportunity that becomes available rarely and very rarely at these minimum involvement levels.
